- ¹ The author presents a short overview of a hoard of 1049 Sasanian drachmas ranging from Wahram V (420-438) to Khusro I (531-578). Most of the coins were struck by Kawad I (488-531) and Khusro I. The most common mint abbreviations are AS (Asuristan), AY (Eran-Khwarrah-Shapur), WH (Weh-Andiyok-Shapur), MY (Meshan) and AW (Ohrmazd-Ardashir). A brief discussion of the mint signatures is presented.
