Foreword

Linda Collinge-Germain, Michelle Ryan-Sautour and Emmanuel Vernadakis

- 1 We are very pleased to present this special issue of the *Journal* devoted to the short stories of Edith Wharton. Virginia Ricard, associate professor of American literature at the University of Bordeaux and guest editor of the issue, has compiled a volume of innovative research on Wharton's short fiction which she completes with an informative introduction and a very useful bibliography. We thank her for her meticulous and thorough editorial work.
- 2 You will also note in the front pages of this issue that Michelle Ryan-Sautour has joined the Editorial Board of the *Journal* as Associate Editor and that Emmanuel Vernadakis is now Consulting Editor, a position that allows him both to remain a part of Journal activities and to devote the time necessary to his role as Director of the CRILA Research Center.
