Programme

September 12th

8h30-9h00	Registration and Opening ceremony	
9h00-10h00	Invited talk 1: Greville Corbett, University of Surrey: <i>The syntax-morphology interface: the significance of split lexemes</i>	
10h00-10h30	Session 1: Morphology and Syntax (1)	Session 2: Morphology with three interfaces (1)
10h00-10h30	Gregory Stump: <i>Morphosyntactic property sets at the interface of inflectional morphology and syntax</i>	Michel Roché: <i>Les alternances thématiques : morphologie ? phonologie ? lexique ?</i>
10h30-10h45	Coffee break	
10h45-12h15	Session 3: Morphology and Syntax (2)	Session 4: Morphology with three interfaces (2)
10h45-11h15	Rita Valadas Pereira, João Paulo Silvestre and Alina Villalva: <i>Deverbal adjectives: from syntactic to morphological predication</i>	Natalia Beliaeva: <i>From phonology to morphology, from morphology to semantics: A study of English blends</i>
11h15-11h45	Cynthia Johnson and Brian Joseph: <i>Morphology and Syntax ... and Semantics ... and Pragmatics: Deconstructing "Semantic Agreement"</i>	Masaki Yasuhara: <i>The Further Specification Analysis of the Unique Path Constraint Effect in Japanese V-V Compounds: Morphology-Lexical Semantics Interface</i>
11h45-12h15	Junya Morita: <i>Morphology-Syntax Interface: Abstract Nominalization of Adjectives in English and Japanese</i>	
12h15-13h45	Lunch break (rooms F042 and F043)	
13h45-15h15	Session 5: Morphology and Syntax (3)	Session 6: Morphology with three interfaces (3)
13h45-14h15	Clara Cohen: <i>Contextually sensitive paradigm effects on the production of morphemes</i>	Maximilien Guérin: <i>L'interface morphologie-syntaxe dans les constructions prédicatives du wolof</i>
14h15-14h45	Jana Strnadová: <i>French Denominal Adjectives and their Syntactic Equivalents</i>	Fiammetta Namer, Stéphanie Lignon: <i>Les créations verbales dénominales en -iser et -ifier de la</i>

		<i>Toile : concurrence morphologique et interfaces sémantico-phonologiques</i>
14h45-15h15	Fabienne Martin, Nicolas Mazziotta: <i>Transitivizing affixes in French</i>	Edwige Dugas: <i>[non-Adj] sequences in contemporary French: morphological negation, syntactic negation, or in between?</i>
15h15-15h30	Coffee break	
15h30-16h30	Session 7: Morphology and Syntax (4)	Session 8: Grammaticalization
15h30-16h00	Tatsuhiko Okubo: <i>Linking Elements in Distributed Morphology</i>	Kristel Van Goethem, Muriel Norde: <i>Debonding of Dutch intensifying prefixoids: a multiple source account</i>
16h00-16h30	Daniela Marzo, Birgit Umbreit: <i>Abstract deadjectival nominalizations at the interface between morphology, syntax and the lexicon</i>	Stefan Hartmann: <i>Changes in Construal Determine Constructional Change: A Corpus-Based Study on the Diachronic Development of Word-Formation Patterns</i>
16h30-17h30	Invited talk 2: Muriel Norde, Universiteit Groningen: <i>Debonding and the inflection-derivation interface</i>	

September 13th

9h00-10h00	Invited talk 3: Geert Booij, Universiteit Leiden: <i>The interface between morphology and syntax, a Construction Morphology perspective</i>	
10h00-11h00	Session 9: Morphology and Syntax (5)	Session 10: Morphology and Psycholinguistics (1)
10h00-10h30	Masaharu Shimada, Akiko Nagano: <i>Morphology of Direct Modification in Japanese</i>	Serena Dal Maso, H�el�ene Giraudo: <i>The processing of morphologically complex words in Italian L2</i>
10h30-11h00	Olga Steriopolo: <i>Formal types of expressive constructions across languages</i>	Francesca Franzon, Davide Bertocci and Carlo Semenza: <i>Encoding gender between syntax and the lexicon. An aphasia case study provides new insight on inflectional noun morphology</i>
11h00-11h15	Coffee break	
11h15-12h15	Session 11: Morphology and Syntax (6)	Session 12: Morphology and Psycholinguistics (2)
11h15-11h45	Aurore Koehl, Marie Laurence Knittel: <i>L'h�eritage des d�ependances des adjectifs par les noms d�esadjectivaux : ce que nous disent les donn�ees</i>	Madeleine Voga, Anna Anastassiadis-Symeonidis, H�el�ene Giraudo: <i>Does morphology play a role in L2 processing? Evidence from inflectional and derivational priming with Greek speakers of English</i>
11h45-12h15	Louise Esher: <i>Complex functional coherence in autonomous morphology</i>	
12h15-13h30	Lunch break (rooms F042 and F043)	
13h30-15h00	Session 13: Morphology and Phonology (1)	Session 14: Morphology and Semantics (1)
13h30-14h00	Jason Shaw, Chong Han, Yuan Ma: <i>Surviving truncation: informativity at the interface of morphology and phonology</i>	Zoe Gavriilidou: <i>Intensifying prefixes in Greek</i>

14h00-14h30	Hiroki Koga: <i>The contraction of the unmarked tense morpheme duplicated due to prosodic minimality</i>	Matías Jaque, M ^a Ángeles Cano: <i>Levels of Stativity in Deverbal Derivation in Spanish: the Case of -nte Adjectives and -ncia Nouns</i>
14h30-15h00	Géraldine Walther: <i>Rethinking morphological autonomy in the light of description compactedness</i>	Aurore Koehl and Stéphanie Lignon: <i>Les noms de propriété en -ité et -itude : alternance formelle et morphopragmatique ou la tristitude des AitéN</i>
15h00-15h15	Coffee break	
15h15-16h15	Session 15: Morphology and Phonology (2)	Session 16: Morphology and Semantics (2)
15h15-15h45	Françoise Rose: <i>A hybrid class of affixes in the Mojeño Trinitario verb</i>	Susana Rodriguez Rosique: <i>On the telicity of reversative verbs: The case of Spanish</i>
15h45-16h15	Laurence Labrune: <i>Désonorisation, affrication et insertion de /t/ comme marques de la composition en basque: comment la phonologie accomode la morphologie</i>	Villoing Florence: <i>La nominalisation en -age et l'interprétation instrument : rôle morphologique des contraintes sémantiques sur la base verbale</i>
16h15-16h45	Closing ceremony
